

## Ontario's Gambling Revenue

### Revenue Generation

- Across Canada in 2011-12, Ontario had the highest total government operating gambling revenue (\$4,810,384,000).
- Across Canada in 2011-12, Ontario had the highest total horse racing revenue (\$396,905,000) as well as the highest total charity-operated gambling revenue (\$1,828,239,000).
- Across Canada in 2011-12, charitable organizations in Ontario earned the second highest compared to all other provinces (\$128,375,000) and Ontario contributed the highest to Problem Gambling (Health) efforts (\$40,800,000) and to the Responsible Gambling Industry (12,942,000).<sup>2</sup>

**Revenue by Business Division**  
Total Revenue \$6,717M<sup>1</sup>

### Revenue Allocation

- 2% of gross revenue from slot machines at OLG casinos and OLG slots at racetracks are allocated by the Government of Ontario to the province's problem gambling program for research, treatment and prevention programs.
- In the year April 1st 2012-March 31st, 2013, OLG allocated \$3.4 billion toward economic activity in Ontario:
  - \$1.8 billion toward the Province including: \$1.6 billion towards hospitals, health-related programs and other provincial priorities
  - \$1.6 billion to support local economies including: \$94.1 million to municipalities that host OLG gambling facilities such as resort casinos and charitable gaming centres
  - \$23.6 million toward corporate social responsibility including: \$12.1 million to its Responsible Gambling Resource Centers<sup>3</sup>

### Revenue Generation Plans

- OLG's modernization plans include:
  - an additional annual net profit to the province of \$1.3 billion by 2017-18
  - over the next six years provide an additional \$4.6 billion to the Ontario government<sup>4</sup>

### Did You Know?

In 2009, Ontario adults spent an average of roughly \$455 on government-related gambling (less winnings) compared to \$105 in 1992.<sup>5</sup>
